Dear Members

SQUASH COURT FUND APPEAL

As many of you may know we are looking to upgrade the squash facilities at the club. Stage 1 was the new glass doors, Stage 2 was to cover the major refurbishment involving:- a new roof, new walls and Tins for both courts, an overhaul of the balcony and entrance hall, plus an upgrade to the changing rooms .

Unfortunately we were not successful in the large grant application so we have decided to rethink how we fund the roof replacement and do this as a stage 3.

The good news is we still have raised £10,000 from other grants, so we plan to upgrade the courts and changing room with this money. Total project costs for this upgrade is £21,000. The club have committed £5,000 to the fund. We need to raise the balance.

The project will mean :-

- Replastering of the remaining 3 walls (back wall and doors were done in Stage1). New Tins and the floors sanded and re lined
- Painting of the ceiling, balcony, entrance area
- Plus the current ladies changing rooms will be split to provide both mens and ladies changing rooms with toilet facilities.

We are approaching local companies for sponsorship of the courts. If you know of someone that might be willing to sponsor, please let me know. We hope to raise a few thousand from sponsorship but we still need some more funds to be able to complete the project.

This is where you as squash members can help with donations to the appeal.

Please, do give your serious consideration to this request. We have a great Squash club which we want to continue for many years to come. Please complete the form below or, if you would like any further information or to discuss the matter, then I would suggest that you contact me in the first instance. All conversations regarding sponsorship or donations will be handled with the strictest confidence.

I can be contacted either by email at jvarco@btinternet.com or mobile number 07850 261871.
